CAMPUS NEWS

LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

Nov. 14, 2003

TO: Faculty

FROM: John J. McGoldrick, F.S.C.
Assistant Provost

DATE: November 14, 2003

Funding is available for *City As Classroom* activities for the Spring 2004 semester. Applications will be accepted until Friday, December 5, 2003. An electronic application form (i.e., a "Word" document) is available. Please contact me (#1015; e-mail: mcgoldri@lasalle.edu), and I will e-mail a blank form to you. You may also obtain the application via the Provost's Office web page (<http://www.lasalle.edu/provost/forms.htm>).

The Council of Deans has adopted the following guidelines for review of *City As Classroom* funding applications:

Goal to facilitate the use of the resources of the Greater Philadelphia Metropolitan area in the educational experience of students.

Guidelines for funding evaluation:

1. Priority will be given to funding for undergraduate classes.
2. Priority will be given to funding for activities that will not be available in future semesters (e.g., a special exhibit at a museum, a concert or play and so forth).
3. Priority will be given to discrete events rather than underwriting continuing costs of student participation in activities required by a course.
4. The number of participants can be given priority in decisions on funding.
5. Funding of admission costs will be limited to \$12.00 per person.
6. When transportation is involved, the first choice is University-owned vehicles. If that is not feasible, rental must be arranged through the University's Purchasing Office.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services.

KING'S DREAM LEADERSHIP PROGRAM 2004

Call for Student Nominations

The Division of Student Affairs and the King's Dream Committee seeks your nominations of emerging students for King's Dream 2004.

Entering its fifth year at La Salle University, the King's Dream Leadership Program is helping give students (leaders, emerging leaders, and at-large students) the necessary tools and skills to explore their awareness of diversity and social action as a way to bring about change. In addition, students will gain the leadership skills necessary to implement the new ideas generated during the day.

The one day event consists of a keynote speaker and break out sessions led by students and staff and faculty. The content of the keynote and breakout sessions will focus on the above-mentioned issues.

King's Dream Leadership Program will take place on Monday, January 19, 2004.

Nominations:

Please nominate those students who have displayed an interest in leadership, social change, awareness of diversity, or other qualities associated with these themes and the themes commonly associated with Dr. Martin Luther King, Jr. This can include students you have contact with in the classroom, a student organization, or any other setting. This program is also ideal for those students who have much potential in these areas. You may nominate as many students as you like.
